About Team **Kidney**

Team Kidney is the challenge program for NKF where you can run, walk, jump, ride, swim – anything that makes you sweat – to raise funds to enhance the lives of everyone with or at risk of kidney disease. Whether you participate in honor of someone or you yourself have kidney disease, Team Kidney will be with you every step of the way.

WHY SUPPORT US?

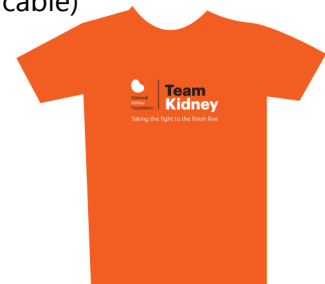

Kidney disease is a major public health issue.

- **1 in 3** American adults is at risk for kidney disease.
- **1 in 9** American adults has kidney disease – and most don't know it.
- Kidney disease is the 9th leading cause of death in the United States.
- Of **122,000** Americans on the waiting list for a lifesaving organ transplant, **more than 100,000** need a kidney. Fewer than 20,000 people receive one each year. In CT & W. MA there are over 1,700 people in need of a new kidney of which less than 10% will receive one.
